

Filtration Solutions, Inc.

Let Filtration Solutions enhance your reliability through filtration and reclamation. Offering customized Oil Trailers, Vacuum Trailers, and Vacuum Oil Processors for over 30 years.

| | |
|--|--|
| ALBARRIE/SORBWEB | Secondary Oil Containment |
| AMERICAN POLYWATER | Power Patch leak repair systems for oil and SF6 equipment |
| APR | Nitrogen blanket pressure regulator systems and replacement products. |
| BATTERY MAT | Pads for neutralization of battery acids |
| COLT | Leak repair for oil and gas filled equipment |
| DES-CASE | Permanent and disposable hygroscopic breathers to eliminate moisture and particulate. Loose silica gel/desiccants |
| DILO | SF6 purification, transfer carts, and mobile equipment. Gas supplier and field service. |
| E-MANUFACTURING GULF COAST CONTACTS | Contacts: Current exchange contacts, current path replacements, low maintenance switches, modify & rebuild valves, custom parts kits |
| ERTEL/ALSOP | Oil filtration media and equipment. With the Aqua KV disc pak, over 84oz of water can be removed from the oil per filter |
| ESP/OIL SOLUTIONS | Oil spill mats, pads, rolls, booms, pillows, and powders. Spill Kits |
| FILTER VAC | Large over-the-road vacuum/oil processors, and Regenerative Fuller's Earth systems |
| GENERON | Nitrogen generators |
| HARVARD | LTC/Regulator filtration systems |
| JAXON FILTRATION | Bulk Fuller's Earth, super sacks, coalescing and hydraulic cartridges |
| KRIN | Engineering, designing, and constructing customized oil processing systems |
| QUALITROL | Regenerative desiccants |
